Technical data sheet

Cover adapter

Item number: 6115975

Cover adapter for mounting on trunking bases and fittings of the GAD and Rapid IBIS design device installation trunking series. The cover adapter can be pushed into a guide on the base and is used to accept the trunking cover and keep it at the desired spacing. It is also used for bundled cable exits and can be moved into the lengthwise direction. A maximum spacing of 500 mm between the cover adapters must be maintained.

PA Polyamide
